

Mirror

Silver reflection
Depths of blue reveals to thee
Lifes red faced regrets

Locked Up

In concrete cocoon
Constrained and tethered, seeking
Butterfly parole

Men For Honor

Men bridging the gap
For both worlds they spread
Honor, love, respect

Words Uncaged

Uncaged words of truth
From their voices all can hear
Leg irons falling

Uncaged Words

Uncaged words of truth
Heard for the very first time and
Leg irons will fall
