“The same thing that will make you laugh will make you cry (Sonnet #6)” (1/7/18)

Happiness and in Love
The sweetest taste from your slightest touch
giggles and smiles and ogled eyes in a trance
Butterflies in my stomach; that upside-down feeling
on a natural high
Why do we scream at each other
pain and sorrow, with hate and tears
from irritated and annoyed
to leave me alone
from love and joy to hurtful words of a calloused heart
and a tear inside I've never felt before
oooooh! Baby!
The same thing that'll make you laugh
will make you cry
