**In You!
I Believe**

Sometimes I ask myself.
Why do I love you so much.
I sit wondering.
How you're able to access so many.
Of my thoughts.
Why you're the sunshine.
In all of my dreams.
Even in the midst of evening hours.
Where the breath of a midnight breeze.
Makes shiver my soul.
I wonder how.
I feel your warmth.
How the taste of your kiss.
Still touch my lips.
My heart quivers with fear.
Harness with the possibility.
What if I lose you.
Still, your closeness gives me.
An inexplicable measure of comfort.
Magically!
You!
Like water flowing through streams and riverbeds.
Give life and strength to the whole of me.
For years_
I've braved many depraved challenges.
Befriended the dark.
Religiously!
I've discounted belief in trust.
The honor and love of another.
The light_
The beauty of rainbows.
Embellishing blue skies.
I've discarded.
Came to regard as a nemesis.
The Dawn of tomorrow.
Brings moonlight.
Mystery!
Somehow within the privacy of concrete walls.
The candlelight of hope.

Continues to flicker.
Though for my Sins.
The Bow 'n Arrow continues to target my soul.
My heart bleeds.
Still... it is in you!
I believe.
