

## Embryo

The manifestation of the embryo,  
Is an astounding process of creation in itself,  
It is a vehicle that Ra, your (life force) gives,  
Exhilarates, enlivens, stimulates,  
Which causes the vehicle to activate,  
Move in a proportion,  
Which in this case symbolizes life, being alive, and well,  
In addition to what possesses the vehicle,  
Is already a fully developed spiritual divine being,  
The only hindrance, which is the body, has to develop and catch up,  
Activation, cultivation, and expression of this divine being,  
Lying dormant in the sentient being,  
Requires a sense of knowing how to intuit,  
To expel the desired effect of being in one's own realms,  
The manifestation of the embryo...
