“Winners or Losers”

Life is full of battles won and lost.
If you don't believe you can win,
you have already lost!

If you think you are beaten, you are,
if you like to win, but believe you can't,
you won't. If you think you will
lose, you already gave up.

In the world, success begins
with a persons will to succeed.
Our state of mind directs
whether we truly want to succeed.
If we think we cannot rise up,
we can't,
If we think we are outclassed,
we are,

We must be sure of ourselves!
We must strive to reach higher,
to achieve the highest goals.
We have to believe in ourselves,
if we are to win the prize.

Life's battles do not always
go to the stronger person.
But sooner or later,
the person who wins is
the one who believed they could.
